It's a nice feeling to have a second savings account
Money has a habit of slipping through the fingers, even when it's in a bank account. You put money into your savings account and withdraw it as you need it. And so it goes. Unfortunately so goes your savings resolution, too.
The thing to do is open another savings account – a Special Purpose Account – and use this account to save for the special things you want in life. It's a simple system that has worked for a lot of our customers. And it could be working for you, too.
Another easy way to save is the A.N.Z. Christmas Club. Regular deposits of $1, $2, or $5 during the year will give you extra spending money for Christmas.

POLONIA — 21st ANNIVERSARY

Polonia Sports Club was founded nearly 21 years ago in 1950 by a group of Polish migrants, many of whom had played or were associated with soccer already in pre-war Poland or straight after the war in various European countries, mainly as soldiers in the Polish Army within the British Forces or as civilians in the D.P. (Displaced Persons) camps in post-war Germany.

Upon arriving in Melbourne some of those players joined various local soccer clubs but all of them wanted to play eventually in their national colours. Their wishes were finally fulfilled when, at a meeting called by the President of the Polish Association of Victoria in August, 1950, the POLONIA SPORTS CLUB was formed and registered under this name with the Victorian Soccer Association as a Fourth Division Club. Other Polish sports clubs were formed in the same year in all State capitals, most of them adopting the name "POLONIA", Latin for Poland.

The first game of the newly formed team in Melbourne was played on 24th September, 1950, at Yarra Bank Park against the Yugoslav team J.U.S.T.

From then on Polonia steadily advanced every year to a higher division, reaching the top division in 1953 and winning that year the World Cup as "Poland".

Amongst the best players of that period were: Steve Czauderna in goal, Tad Bialek and Henry Jakubowski as backs, Bob Zablocki and Joe Garncarczyk in the forward line, to mention just a few. All of them represented Polonia in the Victorian Squad.

In those early days the players, although most of them family men struggling to settle in their new homeland, received no remuneration for their play, they also contributed by preparing the ground, washing their uniforms, etc. It is mainly through the dedication of these early pioneers that POLONIA is able to celebrate its 21st Anniversary.

The first coach was Mr. Bob Mlewski, until last year a dedicated property steward of Polonia, who was honoured recently with Life Membership of the club.

Then, as a direct result of the Olympic Games in 1956 at Melbourne, Polonia imported some good players from Poland. They proved themselves to be top-class men on the Victorian soccer scene. The first five to arrive in Melbourne in June, 1959, were: Marian Gasior (full-back), Vic Janczyk and Richard Szczepanski (half-backs), Roch Dronia and Kaz Szygalski (forwards).

They were joined later by such well-remembered players as: Mike Jurecki, Wujo Maruszkiewicz, Jana Jankowski, Jurek Dudon, Andrew Zientara, Kaz Kowalec and many others.

Amongst the local talent of that period must be mentioned a dedicated ex-Juventus player, Remo Guardiani, who last year returned to Polonia as team manager for the 1970 season.

The players from Poland not only put Polonia's name back on the soccer map in Victoria, but several of them were included in the Victorian and in the Australian National Squad. They also contributed greatly in bringing up the youngsters in Polonia junior clubs, like Polonia-Ardeer in West Sunshine or Lechia-West Newport, whose Under 14's team won their premiership last year with Eddy Widera from Poland as their coach.

As a result most of the Polonia 1st Team and the whole of the Reserve Team consists of locally-bred players. Our great hope for the future lies in the young Reserve Team coached since last year by Mr. Ian Petherick. They won their first premiership in season 1970.

Thanks to friendly co-operation from the Sunshine City Council the club enjoys good ground facilities at Maribyrnong Reserve and the juniors train at Sunshine and Newport where a large percentage of Polish migrants live.

BILL FLEMING MEDAL, 1970

David Pygall (Ringwood City)

Following in the footsteps of Bill Westerveld (1958) and Peter Aldis (1966), David Pygall gave Ringwood City their third winner of the recently re-named annual award for the Best and Fairest player in the State League.

David Pygall

David Pygall is a great player, a key member of the Ringwood side and arguably the best linkman in the State. A player whose consistent performances right through the season earned for him the right to this, the first ever award of the Bill Fleming Medal.

Born in Watford, back in 1939, Dave signed with his home town side and played with them for seven years, making his first appearance in the League against Brentford in the 1955-6 season.

After a spell with Dover Town in the Southern League he went to South Africa, playing with Hylands Park, Boksberg and Durban before returning to England for spells with Dunstable Town and Bedford.

David Pygall's first game for Ringwood City was in the opening match of the 1969 season against Lions at Montgomery Park.

DOCKERTY CUP, 1970

There is a special magic about Cup-Tie Football, and this season's Cup had its share.

Juventus swept all before them in a vintage season that also saw them win the Grand Slam taking out in addition to the Cup, the State League Premiership and the State League Cup.

But, if the giants eventually triumphed, the earlier rounds saw giant-killing and lots of it. In the first preliminary round, Mooroolbark—later to win promotion—took on former State League side, Preston Makedonia, and saw them off. The "Barkers" had made themselves heard in a big way.

The next round saw an even greater surprise when the mighty Yallourn went down to Clayton who were having a disastrous season, that later saw them relegated to Division 4. In the very same round, St. Albans, now fallen on lean times, also met their match when they came up against near-neighbours, Keilor City, who were later to have a moment of unsurpassed glory.

The top State League sides entered the competition in the first Main Round and some quickly found nothing but trouble. Box Hill pulled off the biggest surprise, beating the much-fancied Melbourne at Jubilee Park. George Cross, once formidable cup-fighters, were shattered by Juventus who ran riot with 11 goals. Footscray JUST were also surprisingly beaten by Hakoah who were having only a modest season.

In the quarter-finals, Ringwood City were drawn against Keilor City and nobody who saw that game will ever forget the scintillating cup-tie soccer that gave the Metro side a well-deserved victory—a moment to relish! Keilor were drawn against Juventus in the next round and met their match as the Zebras put on the pressure, scoring eight goals to Keilor's two. But the "giant-killers extraordinary" were not disgraced in defeat. Those two goals were the only ones scored against Juventus in the entire competition!

The final between Juventus and South Melbourne Hellas was vintage stuff. Watched by thousands on GTV-9, Juventus were worthy winners thanks to two great goals scored by Sandy Irvine and Bryan Thompson. In all, this crack team had scored 25 goals in just four rounds. Ten players scored. Bryan Thompson notched four against Box Hill and Alastair Sandison repeated the feat in the Keilor City game.

GOALS PER SEASON

Goals scored in each season have shown a remarkable fluctuation from a high of 551 in the 1959 season (Ringwood City Wilhelmina notched up 86 alone!) to a low of 369 in goal-starved 1968. Overall the figures follow the declining pattern of scoring seen all over the world, although it is possible to see a slight upcurve in the last two seasons.

1958	508	1964	474
1959	551	1965	408
1960	470	1966	373
1961	458	1967	451
1962	427	1968	369
1963	449	1969	422
1970	418		

THE STATE LEAGUE, 1958-1970

Arguments rage continually over which side can lay claim to the title of the best side in the State League.

Get a collection of fans together, raise the subject and soon nearly all the State League teams will be pressed forward for the honour.

Some supporters will remember that great Ringwood City side of 1959 who set a never-to-be-beaten goal-scoring record of 86 goals as they raced to the premiership. Others, especially those who believe that points are all that count will point to the Polonia side of just one year later. Defeated only once all season, they tallied up a remarkable 37 points.

South Melboure Hellas must also come in for support with their "hat-trick" of Premierships in 1964-5-6 and a grand total of four Premierships in just five years. Last season's "Grand-Slam" by the star-studded Juventus must give them also strong support for the title. And so we could go on . . .

But, let us ignore the awards won . . . let us look at it differently. Let us see which clubs have won the greatest percentage of State League games in which they have played. We can do this by dividing the points at stake by the number of points actually gained and so obtaining a percentage.

The State League was formed in 1958 and if we examine the records of all the sides that have played in the League since that time we come up with an order of merit which reads:

	Seasons Played	Points Available	Points Obtained	Percentage
South Melbourne Hellas	10	440	273	.6205
Juventus	13	572	354	.6189
Croatia	7	308	177	.5747
Ringwood City	12	528	303	.5739
George Cross	13	572	326	.5699
Footscray JUST	13	572	321	.5612
Polonia	13	572	320	.5594
Hakoah	13	572	318	.5559
Slavia	13	572	298	.5210
Melbourne	11	484	239	.4938
Lions	9	396	141	.3561
Moreland	5	220	76	.3455
Geelong	2	88	28	.3182
Box Hill	5	220	69	.3136
Fitzroy United Alexander	5	220	66	.3000
Preston Croatia	2	88	26	.2955
Footscray	2	88	24	.2727
Triestina	2	88	21	.2386
Makedonia	1	44	10	.2273
Hellenic	1	44	10	.2273
Richmond	2	88	19	.2159
Brighton	1	44	9	.2045
Yarra Park	1	44	4	.0909

Will this table settle the arguments? Maybe not, but if you read the table right, South Melbourne Hellas and Juventus emerge clearly as the leading challengers to the claim of being the best side in Victoria.

The next six clubs are remarkably close, one good season, or a bad one by any of them could result in a major shake-up. It is certainly extremely hard to draw any conclusion on their respective merits, particularly when you note that George Cross, Footscray JUST, Polonia and Hakoah are only separated by .015 or, expressed another way, by just eight points, and that after a full 13 seasons of hard competitive soccer.

For the record books, the full playing records of the sides that will make up the 1971 State League are as follows, this time in aggregate point order.

	P	W	D	L	F	A	Pts
Juventus	286	147	60	79	524	358	354
George Cross	286	134	58	94	512	398	326
Footscray JUST	286	128	65	93	541	445	321
Polonia	286	128	64	94	495	381	320
Hakoah	286	129	60	97	536	443	318

. . . AND NOW THE WORLD

We achieved a certain standing in International soccer as far back as 1967 in the South Vietnam National Day tournament. Maybe the opposition was not too strong, but Australia did beat the highly rated South Koreans 1-0 and 3-2, and perhaps more importantly finished the tour with the remarkable record of ten games without defeat.

Our Asian supremacy was confirmed in the 1970 World Cup preliminaries when we shot out both South Korea and Japan before flying halfway around the World to beat Rhodesia in the steaming heat of Mozambique, only to go down to Israel in the cold night air of Tel Aviv.

A draw in the return match played before a vast crowd in Sydney was not good enough to qualify Australia for Mexico, but it is interesting to speculate on what might have been—Israel went on to draw against both Sweden and the eventual finalists Italy!

To reinforce this growing stature, Rasic's Raiders flew out last October on a mammoth world tour, a tour that was to bring success on an undreamed of scale.

The early games in New Caledonia, Hong Kong and Macao were warm-ups for a tough programme and led to three undoubted victories that clearly established Australia as an up-and-coming force in world soccer.

Iran, Israel—oh sweet revenge—and Greece all bowed before an onslaught of power soccer that was a credit to the players under captain Johnny Warren and above all to Zvonimir Rasic as coach.

Our victories were all based solidly on Rasic's tactics and discipline which resulted in a fit, well briefed team with a supreme will to win.

If the cold, damp atmosphere of an English autumn compounded by growing fatigue resulted in poor performances in Manchester and Dublin that must not be allowed to dull the lustre of Tel Aviv and Athens. A point has been made, the score is on the board, our standards are improving, the game is growing, truly we should now shout . . . And Now the World.

STATE LEAGUE, 1970

The first year of the Soccer Seventies truly belongs to Juventus —State League premiers, Dockerty Cup winners and victors in the State League Cup. The first team ever to achieve the Grand Slam of Soccer.

On Saturday, 11th April, Ringwood City could only manage to draw with South Melbourne Hellas. The very next day Juventus comfortably beat Slavia and with the help of those two points vaulted past both Ringwood and South Melbourne to take the lead in the premiership race; they were never again headed.

At the halfway mark, Juventus led by five clear points from a Melbourne side that was improving with every match. Footscray J.U.S.T. and a faltering Ringwood City made up the top four.

Would Juventus ever be defeated; could they set an all-time unbeatable record by going through an entire season without defeat? A draw against South Melbourne saw them drop a point. Then Polonia held them at Maribyrnong and the very next week lowly Lions managed to take a point from them. But that long-awaited defeat would still not come; good straight wins over Slavia, George Cross and Melbourne re-established their slightly tarnished reputation and all looked set for the record.

Then it happened and Croatia did it. Coming back after a quiet first half Jimmy McKay was at his elegant best and two good goals by McIntyre and Rajher did the rest. That defeat, looking back, just had to come, but Juventus had given Polonia's record of just one defeat in a State League season a mighty nudge.

The closing weeks of the season were an anti-climax as Juventus did just enough to maintain their iron grip. Footscray J.U.S.T. became the second team to beat them, but it wasn't enough to topple them. The premiership had been won—and lost.

It was not a record-breaking season. Polonia, Ringwood and Melbourne have all won more games in a season than Juventus' 15 in 1970. Polonia still comfortably holds the record points total of 37 achieved as far back as 1960. Just two defeats is a sound reflection on the all-round supremacy of Juventus, but again both George Cross and Polonia have gone one better. Juventus scored 47 goals thanks to a magnificent forward line ably led by Bryan Thomson, but—this is exactly 39 goals less than Ringwood City scored when they won their first and only premiership back in 1959.

However, records are only memories in black and white and for anyone who saw Melbourne soccer in the year 1970 it will not be disputed that the predominant memory is definitely Black and White!

THE SHARPSHOOTERS, 1970

Alistair Sandison and Bryan Thomson, both members of the star-packed Juventus side, hold the honour of scoring most goals in a single game. They both netted four times in the Dockerty Cup—Sandison against Keilor City and Thomson in the earlier triumph over George Cross.

Bryan Thomson also scored the first hat-trick of the season against Lions and heads the 1970 goalscoring list in combined League and Cup games.

Jimmy Smart of George Cross scored two hat-tricks (versus Lions and Fitzroy United) as did Dan Zoraja (Hakoah and Slavia) and Mike Clarey of Hakoah (Fitzroy United and Polonia).

Hat-tricks were also registered by:

Jimmy Mangopolous (Fitzroy United) v. Ringwood City.
Billy Vojtek (Croatia) v. Lions.
Ray Smith (Hakoah) v. J.U.S.T. (Cup).
Billy Rogers (Melbourne) v. Hakoah.
Geoff Gould (Hellas) v. Fitzroy United (Cup).
Terry Luckhurst (Ringwood City) v. Lions.
Jimmy Armstrong (Hellas) v. George Cross.

The fastest hat-trick of the season? Definitely that scored by Ray Smith of Hakoah against Footscray J.U.S.T. in the Dockerty Cup. Just nine minutes was all it took!

Lions were the greatest sufferers from the sharpshooters with four hat-tricks registered against them. Fitzroy United Alexander ran them a close second with three conceded. Hakoah benefited by scoring three hat-tricks, as did Juventus.

First goal of the season was scored after fifteen minutes play by Alistair Scott of Melbourne during the rain-drenched game at Middle Park against Footscray J.U.S.T.

The last goal of the season was fittingly scored by the season's top scorer, playing for the undisputed champion side of 1970—Bryan Thomson of Juventus in the dying seconds of the State League Cup Final.

A total of 418 goals was scored in the 1970 State League season. Let's hope for plenty more in 1971.
